Ref. No. RAYS/V26/IT/5215

Date: 09.07.2026

TO WHOM SO EVER IT MAY CONCERN

This is to certify that **Mr. Tikeshwar Baghel**, Student of Government Engineering College Bilaspur, has undergone and successfully completed Vocational Training program in "**Machine Learning with Python**" in our Company. During this training, the participant gained practical knowledge in Python Basics, Data Handling using Pandas and NumPy, Data Visualization using Matplotlib, Machine Learning Concepts: Supervised and Unsupervised Learning, Model Training and Evaluation using scikit-learn. And submitted the project on "AI & ML-Driven Mental Health Companion".

Period of Training: 08th June, 2026 to 07th July, 2026

During the period we found him to be dedicative, sincere and result oriented person. He is quick to take initiative and Satisfied with his performance.

We wish him every success in all future endeavour's.
